WARD

Wheelie bins

All our wheelie bins are British Standard EN840 Certified, providing an affordable bin that will do the job day after day.

Environmentally friendly, our plastic and metal wheelie bins are frost resistant and have an ergonomic, robust design that can be customised to your specification.

They offer a long-life, cost effective service solution for regular waste management.

Description	Capacity	Length	Depth	Height

Skips

Skips are the most versatile of all our waste containers, offering an affordable solution for your waste management needs.

We offer a variety of different skip capacities, which provide ample space for household, commercial, industrial and construction waste. Available for regular contract hire, on a one-off or short term basis.

Skips	Height	Length	Width
5 yard (3.82m ³)	1.00m	2.55m	1.83m
8 yard (6.12m ³)	1.25m	3.80m	1.83m
12 yard (9.17m ³)	1.70m	4.20m	1.83m
18 yard (13.76m ³)	2.10m	4.60m	1.83m

Front End Loading (FEL) container

The Front End Loading (FEL) container has the advantage of a generous capacity with a durable lid, enclosing your refuse and keeping your premises tidy.

We offer a variety of different capacities which provide ample space for commercial and industrial waste and are available for regular contract hire or on a one-off or short term basis.

Container dimensions	Height	Width	Depth
6 yard FEL	1.78m	2.05m	1.73m
8 yard FEL	2.00m	2.05m	2.08m
10 yard FEL	2.28m	2.05m	2.18m

Roll on/Roll off (RoRo) containers

Our Roll on/Roll off (RoRo) containers can be adapted specifically to suit your requirements.

We offer a variety of different capacities, which provide ample space for commercial, industrial and construction waste and are available for regular contract hire or on a one-off or short term basis.

Roll on / offs	Height	Length	Width
20 yard (15.29m ³)	1.50m	6.10m	2.50m
35 yard (26.76m ³)	2.30m	6.10m	2.50m
40 yard (30.58m ³)	2.60m	6.10m	2.50m
